

Training Recruitment Consultancy

Rewards Training Recruitment Consultancy Ltd Crawley office

The Crawley Rewards office is located in Crawley town centre, near to the County Mall shopping centre. On foot the office can be reached through the pedestrian shopping area to the south of the office, and by road (north of the office) we are just off “The Boulevard” and opposite to the Town Hall.

“The Pavement” is a paved shopping area to the side of Marks & Spencer. The entrance to our office is located in between The Metro Café and Jimmy Chop Shop Hairdressers. Unfortunately there are no lift facilities. We are located on the first (with additional services on the second) floor.

There are numerous bus links within a few minutes’ walk of the office and Crawley train station is approx 5-minute walk away. There are many car parks available including two off of The Boulevard, the Town Hall, Kilmead (just behind the Town Hall), and within County Mall. There are also metered parking spaces and residential parking available on the roads further from the town centre.
